Excerpt of the shareholders' agreements notified to Consob pursuant to and in accordance with Article 122 of Legislative Decree 58 of February 24, 1998

On June 4, 2013, in the context of a streamline transaction regarding the ownership structure of Camfin S.p.A. ("**Camfin**"), after the dissolution of the partnership between Marco Tronchetti Provera & C. S.p.A. ("**MTP**"), Marco Tronchetti Provera Partecipazioni S.p.A. ("**MTPP**") and Malacalza Investimenti S.r.l. ("**MCI**") in relation to Gruppo Partecipazioni Industriali S.p.A. ("**GPI**") and Camfin, the following have been signed:

- (i) a framework agreement (the "**Framework Agreement**") between MTP, MTPP, GPI, Nuove Partecipazioni S.p.A. (an indirect subsidiary of MTP, "**NP**"), Lauro Sessantuno S.p.A. ("**NewCo**" or the "**Company**"), Lauro Cinquantaquattro S.r.l. ("**L54**", a company wholly owned by Clessidra SGR S.p.A. ("**Clessidra**") on behalf of the *Clessidra Capital Partners II* fund), Intesa Sanpaolo S.p.A. ("**Intesa**") and UniCredit S.p.A. ("**UniCredit**" and, together with L54 and Intesa, the "**Investors**"; MTP, MTPP, GPI, NP, NewCo, L54, Intesa and UniCredit, hereinafter, the "**Parties**"), which regulates the mutual rights, commitments and obligations of the parties, in the framework of a business and financial project aimed at facilitating the streamline of the ownership structure of Camfin, to be implemented, *inter alia*, through the investment of NewCo in Camfin and promotion by NewCo of a mandatory takeover bid (the "**Offer**") on 286,320,077 ordinary shares of Camfin, representing 36.52% of the share capital of Camfin and equal to all the outstanding ordinary shares, after deducting (i) no. 478,077,004 ordinary shares of Camfin, equal to 60.99% of its share capital, owned by NewCo in consequence of the purchase transactions described herein (the "**Majority Shareholding**") and (ii) no. 19,522,511 ordinary shares of Camfin, equal to 2.49% of its share capital (hereinafter, the "**MM Shares**"), which, as provided in the Framework Agreement, MTP undertook to purchase within December 31, 2013 from Mr. Massimo Moratti and from the company controlled by him, C.M.C. S.p.A., in order to obtain their subsequent contribution to NewCo;
- (ii) a shareholders' agreement (the "**Shareholders' Agreement**") between MTP, MTPP, GPI, NP, L54, Intesa and UniCredit, which contains provisions related to the governance of the NewCo, Camfin and, for certain aspects and within the limits allowed by the statutory regulation and nature of the subsidiary, of Pirelli & C. S.p.A. ("**Pirelli**"), a company in which Camfin owns a shareholding equal to the 26.19% of the share capital with voting rights.

In relation to point (i) hereinabove, and in particular the Majority Shareholding, it is noted that that Shareholding was acquired from NewCo through the following transactions:

- purchase from MCI of Camfin shares equal to 12.37% of its share capital;
- purchase from MTPP of Camfin shares equal to 13.20% of its share capital;
- contribution to NewCo by NP of Camfin shares equal to 35.41% of its share capital (the "**NP Contribution**"). The shareholding in the share capital of Camfin which is the object of the NP Contribution was acquired by NP upon contribution to it on the same date:
 - (i) of Camfin shares equal to 29.45% of its share capital, by GPI; and
 - (ii) Camfin shares, equal to 5.96% of the share capital of Camfin (the "**MTP Partners Contribution**"), by Vittoria Assicurazioni S.p.A., Yura International B.V. and Fidim S.r.l. (jointly referred to as the "**MTP Partners**").

The extraordinary shareholders' meeting of NewCo resolved on June 4, 2013:

- the adoption of new by-laws which provides for, *inter alia*, the breakdown of the share capital into three distinct classes of shares (A, B and C);
- a capital increase of euro 199,888,307.28, through the issuance of class A shares, reserved for subscription to NP, and paid in kind by means of the NP Contribution (the "**Capital Increase in Kind**");
- two capital increases for cash (the "**Capital Increases for Cash**"), of which:
 - an initial increase for Euro 183,000,000 (the "**First Capital Increase for Cash**"), subscribed on the same date (i) by NP, for 130,545 class A shares; (ii) by L54, for 1,069,530 class B shares; (iii) by Intesa, for 535,237 class C shares; (iv) by UniCredit, for 535,237 class C shares;
 - a second Capital Increase for Cash, for a maximum of Euro 227,000,000 (the "**Second Capital Increase for Cash**"), which will be subscribed by UniCredit, Intesa, L54 and NP in accordance with the Framework Agreement.

After the Capital Increase in Kind and the First Capital Increase for Cash and before the launch of the Offer, NewCo, at June 8, 2013 is owned 54.8% by NP, 23.8% by Clessidra (through L54), 10.7% by Intesa, and 10.7% by UniCredit .

In consequence of the purchase of the Majority Shareholding (as mentioned, equal to the 60.99% of the share capital of Camfin), arose the obligation to promote the Offer pursuant to Article 106(1) and Article 109 of Legislative Decree 58/1998 ("**TUF**") on 286,320,077 ordinary shares of Camfin listed on the Mercato Telematico Azionario (electronic stock market, or "**MTA**") organised and managed by Borsa Italiana S.p.A. ("**Borsa Italiana**"), representing all the outstanding ordinary shares, having deducted the shares representing the Majority Shareholding and the MM Shares. The obligation of the Parties to the Framework Agreement is associated, pursuant to Article 109 TUF, with the obligation of the MTP Partners, as consequence of the MTP Partners Contribution, designed to reinforce the total equity investment made by MTP in Camfin and, therefore, relevant pursuant to Article 101-*bis*, paragraph 4, TUF.

Pursuant to the Framework Agreement, it is provided that NewCo is the entity designated to launch the Offer – aimed at the delisting Camfin shares – in compliance with applicable laws and regulations, at the price of euro 0.80 for each Camfin share contributed in acceptance of the Offer (the "**Takeover Bid Consideration**").

Since the transaction is governed by the Framework Agreement, it is subject to the prior authorisation by the European Commission, pursuant to EU Regulation 139/2004 on the control of business combinations, so the Investors have promised not to exercise their voting share rights in NewCo during the period between subscription of the Framework Agreement and obtaining authorisation by the European Commission.

On June 24, 2013 the European Commission declared that the transaction does not represent a relevant business combination pursuant to EU Regulation 139/2004. On August 20, 2013 the Antitrust Authority has notified its decision to not proceed with a preliminary investigation in relation to the transaction of concentration consisting in the acquisition of joint control over Camfin from NP and L54 through Newco. As a result of the partial execution of the Second Capital Increase for Cash (useful to the payment of the total shares tendered in the Offer, as resolved by the extraordinary shareholders' meeting of Newco which was held on October 1, 2013), at October 23, 2013 Newco is owned 36.65% by NP, 25.02% by Clessidra (through L54), 19.17% by Intesa and 19.17% by UniCredit.

Advance consultation

Consultation in regard to the Company and Camfin

The Parties have undertaken to consult with each other – in order to discuss and agree in good faith a common approach in view of the interest of Camfin – before each ordinary and extraordinary shareholders' meeting and every meeting by the Board of Directors and/or Executive Committee (should this exist) of the Company or of Camfin during which one or more Fundamental Prerogatives of the Shareholders' Meeting or Significant Prerogatives of the Shareholders' Meeting or Board of Directors Prerogatives are on the agenda.

If, upon completion of the consultation, each Party should express its intention to vote in accordance with the proposal (regardless of whether this be for or against), it shall do whatever is necessary so that, within the limits allowed by law, the directors designated by it vote consistently with the adopted decision.

Disagreement and veto rights

If no agreement is reached on a common approach during consultation ("**Disagreement**"), each Party may send the other a notice acknowledging that a Disagreement has arisen. The matter will be submitted to the chairman of the board of directors of NP, the chairman of the board of directors of L54, the chief executive officer of Intesa and the chief executive officer of UniCredit, who shall be responsible for holding discussions in view of seeking a solution to the Disagreement.

If a solution is agreed, the Parties shall do whatever is necessary so that, within the limits allowed by law, the designated directors vote consistently with the adopted decision.

If the consultation ends without an agreed position being reached, the Parties, if the Disagreement concerns:

- (i) one of the Fundamental Prerogatives of the Shareholders' Meeting in relation to which there is no consensus amongst the absolute majority of Class B shares and raises the disagreement of at least 70% of the Class C shares;
- (ii) one of the Board of Directors Prerogatives in relation to which there is no consensus of (i) at least two directors elected from the slate submitted by the Class B shareholders and at least one director elected from the slate submitted by the Class C shareholders, with the exception of the cases envisaged at items (e) and (n) on the list of Board of Directors Prerogatives that require only the favourable vote and consent (according to the case, by the Company Board of Directors and by Camfin) of at least two directors elected on the slate submitted by the Class B shareholders; or
- (iii) one of the Significant Prerogatives of the Shareholders' Meetings on which there is no consensus amongst the Class B shareholders,

undertake to do whatever is necessary so that the proposal is withdrawn and, in any event, that the related decision be adopted, with it being agreed that, for the entire duration of the Agreement, the Parties are irrevocably bound to assure that the resolutions of the ordinary and extraordinary shareholders' meetings of the Company and Camfin, both on their first and second calls, concerning:

- (i) the Fundamental Prerogatives of the Shareholders' Meeting shall be approved only when the Class B shareholders vote in favour and no opposing vote is cast by shareholders owning at least 70% of Class C shares; or
- (ii) the Significant Prerogatives of the Shareholders' Meetings shall be approved only when the Class B shareholders vote in favour.

In regard to the Board of Directors Prerogatives, the Parties have undertaken to do whatever is necessary so that these matters be reserved to the exclusive purview of the Board of Directors of the Company and Camfin, as applicable, without it being possible to delegate them in any way. Moreover, the Parties have promised to have no decision related to the Board of Directors Prerogatives be taken without the favourable vote and consent (in relation, as applicable, to the Board of Directors of the Company and of Camfin) of at least two directors elected on the slate submitted by the Class B shareholders and at least one director elected on the slate submitted by the Class C shareholders, with the exception of the cases illustrated at items (e) and (n) on the list of Board of Directors Prerogatives that require only the favourable vote and consent (according to the case, of the Company Board of Directors and by Camfin) of at least two directors elected on the slate submitted by the Class B shareholders.

Until the Threshold Date, for resolutions by the ordinary and extraordinary shareholders' meeting of the Company, on both the first and subsequent calls, concerning one of the Fundamental Prerogatives of the Shareholders' Meeting and in

relation to the Board of Directors Prerogatives, it will also be necessary to obtain, respectively, the specific consent of the absolute majority of Class A shares, or of at least two directors drawn from the list of Class A shareholders, with it being agreed that, after the Threshold Date, the specific consent of the absolute majority of the Class A shares in regard to the Fundamental Prerogatives of the Shareholders' Meetings and in regard to the Board of Directors Prerogatives will no longer be necessary.

Consultation in relation to Pirelli

In compliance with applicable statutory and regulatory provisions, certain main issues relating to Pirelli shall be submitted to the prior consultation of the Parties and MTP shall provide that, at least quarterly and in any event upon request of a Party, a report concerning the performance and operating development of Pirelli or its subsidiaries, its investment policy and strategic policy guidelines will be provided.

The Parties have undertaken to procure that the prior consultation undertakings relating to the Company and Camfin shall apply whenever one or more of the Pirelli Strategic Prerogatives are questioned, regardless of the delegated corporate body of Pirelli or its competent Key Subsidiaries.

In regard to the Pirelli Strategic Prerogatives, the rules envisaged for the Company and Camfin in the event of a Disagreement shall be applied in case no agreement has been reached on a common policy. Therefore, if an agreed solution is found, the Parties shall do whatever they can so that the designated directors of Pirelli vote consistently with the adopted decision. If, however, the consultation ends without reaching an agreed solution, in case the Disagreement concerns a Pirelli Strategic Prerogative and L54 has not given its specific consent, the Parties shall provide that the proposal is withdrawn and, in any case, that the relevant decision is not taken.

In regard to the Pirelli Strategic Prerogatives, any decisions relating to these matters shall be taken by the delegated bodies of Pirelli after the assessment by the "Strategies Committee," with the participation of the Pirelli directors designated by the Parties.

- (ii) the payment of a cash consideration, to be made in full at the time of transfer, equal to the consideration offered and accepted by the Class A shareholders;

In case the Class A shares drag along right is exercised, the Pre-emptive Right mentioned herein shall not apply.

Starting from the end of the third month following the Threshold Date, L54 will be free to take any decision in regard to the sale of both the Camfin Investment and the Pirelli Investment. In this regard, as a waiver of the foregoing and the undertakings to not make any transfer of the Camfin Investment and the Pirelli Investment as set out herein, L54 shall be entitled to take any decision in this regard, and the other Parties shall undertake to fully collaborate and do whatever necessary so that all the decisions taken by L54 in regard to transfer of the Camfin Investment and the Pirelli Investment are fully performed and implemented by the delegated bodies of the Company, Camfin and their subsidiaries in accordance with the instructions of L54, without prejudice to the provisions of the next paragraph hereunder.

In regard to the drag along right applicable to the Class B shares, pursuant to Art. 10 of the by-laws starting from September 4, 2017 or, from the Threshold Date in the event the case envisaged under point (ii) of the definition applies, whichever is earlier, the Class B shareholder shall be entitled to transfer all the shares owned in the Company in accordance with the terms and conditions provided by the bylaws if it has procured or received an offer to transfer all the Class B shares that it owns and also all the Class A shares and all the Class C shares, and envisages a purchase price equal to the price offered to the Shareholder and, in any event, at least equal to the opting out value, as indicated and defined in the Company's by-laws.

In case the Class B Shareholder intends to accept the offer with respect to all the shares that it owns, it shall be entitled to request, after consulting with the Class C Shareholders, that the Class A Shareholders and the Class C Shareholders (who will be obliged to sell) transfer all the shares owned in the Company to the purchasing third party in accordance with the same terms and conditions.
